'American Comfort Food' menus

Baked Macaroni & Cheese: A classic of American comfort foods, our creamy baked Mac & Cheese comes with 'gourmet' twists as well as healthy Californian sensibilities! We mix the highest-quality Sicilian elbow macaroni, cream, milk, butter and flour – all sourced via our friends at Biofresh – then bake it with our signature 3-cheese blend (cheddar, emmental and gruyere), a mix of subtle spices plus a fine bread-crumbs topping. Includes 4 customizable toppings or mix-in's on the side so everyone can create their own dream Mac & Cheese.

Cheesy Beef Tamale Pie: Sustainably-raised Belgian beef haché cooked with a mix of chiles, tomatoes, onions, cilantro and spices – then poured over a white corn-masa base and baked with a generous topping of cheddar cheese. Epic comfort food – and it's gluten free!

Chicken & Cheese Mini Pot Pies: A mini version of a classic American Chicken Pot-Pie, just like Mom used to make. With shredded freerange Belgian chicken, peas, mushrooms, cheddar cheese, mustard and other comforting spices like thyme and tarragon. Can be used as a side dish, or as a main along with some side salads/soups.

Enchiladas Suizas - Chicken or Vegetarian: Gluten-free corn tortillas rolled with salsa verde (medium-spicy) - and shredded freerange Belgian chicken, or Belgian endive/chicory, mushroom cream & black beans - then baked with more cream & emmental cheese. Served with extra salsa verde and sour cream on the side.

Chili Hotdogs: Highest-quality frankfurters sourced through our friends at Biofresh, along with soft buns and our California Chicken-Chili (ground chicken, pinto beans, onions & olives; not spicy) to put on top or side as desired. Served with a variety of toppings such as shredded cheese, pickled red onions, jalapeños, ketchup, mayo & mustard, these can work for kids and adults alike!

meX'cellent Melted Burritos: Our "hot-pocket" style melted burritos use a pequeño-size flour tortilla closed around some of the highest-quality Cali-Mex ingredients including lots of cheese, then all melted together to perfection. Part burrito and part quesadilla - we call it meX'cellent! We'll bring along the 'panino-press' to heat these burritos à la minute.
